A Closer Look at the Walker House Meals

In the 1980s the then-owners of the Walker House blasted through the stone of the House's east wall and constructed a million-dollar 1,500 sq. ft. modern kitchen. Today our chefs prepare from-scratch meals and baked goods just for you and your group.

We assure your privacy and *never* hurry you. Stay as long as you wish.

Steak Lovers \$21 - Meat Lovers - \$18

*Complete meal with entrée of ¾" Grilled Steaks (\$21-Top Sirloin, New York Strip, or Rib Eye) –all Grass-Finished and about 12 oz.); Honey-Baked/Sugar-Glazed Ham (6-7 oz); Baked Chicken Breasts (5-6 oz); Roast Beef (6-7 oz); Beef Tenderloin (5-6 oz); about 16 oz. Baby Back Ribs slow-cooked for 6 hours; Pork Tenderloin (5-6 oz) with Pure Maple-Mustard Sauce.

*A complete meal includes appetizer, salad, bun, entrée, potato, veggie medley, dessert.

Our guests are having fun with the Steak complete meals. For the Grilled Steaks, we can bring out platters of 4-6 oz. Rib Eyes, Top Sirloins, and New York Strips. With smaller steak portions, guests can try two or all three meats. This meal challenges the taste buds and adds laughter and excitement to dining as guests try to identify the steaks they're eating.

Why A Family-Style Meal?

It adds fun and adventure! As you pass the food around, you can tailor your meal by eating more of one thing, less of another, and you can sample bits and pieces of other entrées selected by your family and friends (we always serve plenty).

Pasta or Lasagna - \$13

Appetizer, Salad, Bun, Pasta Suprema (Meat or Veggie Sauce) or Lasagna (Meat or Veggie), Dessert from our Bakery and Ice Cream Shoppe.

Our guests are having fun with the Cornish Pasty and Homemade Pizza complete meals. For the Cornish Pasty, we can serve the traditional beef pasty, and then bring out samples of other pasties: gluten-free beef pasty, veggie pasty, pork pasty, and chicken pasty. For the Homemade Pizza, we can get everyone eating with a few pizzas—from our cheese, pepperoni, veggie, meat lovers, and supreme selections. Guests pass the pizzas around the table, and select slices to eat. Then, we bring out—for round two—more pizzas, this time on spelt shells and gluten-free shells, at times with completely different toppings like our chicken-spinach-cranberry-on-white-sauce pizza or our chicken-BBQ pizza. These two meals challenge the palate and create lots of laughter as guests try to decipher the ingredients of the pasties or pizzas.

Meal-On-The-Move - \$16

Not everybody likes to sit down to a four-course meal. Some groups prefer to spread themselves throughout a floor of the Walker House and visit with one another. For these groups, we offer Meal-On-The-Move, where we roll out one finger food at a time and serve it hot to guests wherever they are...and we keep rolling out different finger foods—sometimes for three or more hours—until everyone is satisfied.

Our chefs tailor this unique meal to your event/taste. We can scale down the price by reducing the meat options. We serve delicious and hearty finger foods that simulate a meal, ranging from Bruschetta (Tomato, Spinach-Artichoke), to Veggie and Fruit Trays, to Assorted Meatballs (Chicken, BBQ, Teriyaki, Sausage), to Pizza Bites, to our famous “Ghost in a Cup” Ice Cream Dish, and much more.

Please advise your group members that this option equals a hearty meal (and then some) with the great advantage of making space and time for socializing while eating at least 10 different foods prepared fresh just before serving. **Note:** We can scale down the price by reducing the meat options.
