Walker House Dine-In Now Open Safer-Than-Home

Fri 11-2
Mon 11-2

Afraid to eat out? Us, too. That's why we're creating possibly the country's first **Safer-Than-Home** dining experience. Here's how it works in **two** steps.

- You call or email (608.553.0728 – walkerhouse1@gmail.com).
 - Reserve your day and time.
 - Make your meal choice (menu emailed on the spot).
 - Select your own sanitized dining room and entrance (5 dining rooms and 2 outside patios – only one group/person per room). Each dining space has its own bathroom.
- You dine with no-contact service.
 - Server speaks to you from the other side of the room and explains how to order your drinks and meal.
 - Server then delivers drinks and food to a nearby table.
 - Call 608.553.0728 when done, and pay via credit or debit card. Or leave check or exact change on the table.

That's it!
Great place! Awesome food!
Dedicated service! No hassle! No fear!
